Registered Manager

Christine Springthorpe, Director of Clinical Services/Joint Chief Executive, RN, BSc. (Hons) Professional Practice (Nursing).

Regulated Activities

Kirkwood Hospice provides treatment for people who have advanced, progressive life-threatening illnesses such as cancer, neurological diseases, advanced heart and lung disease and end stage kidney failure. Care is provided to those over the age of 18 who are residents of the Kirklees Council area regardless of gender, sexual orientation, religion or belief, disability, race or cultural background. In addition, Kirkwood Hospice is registered to provide diagnostic and screening procedures and to provide medical advice remotely.

Mission Statement

Kirkwood Hospice provides specialist care, free of charge, to adults in Kirklees with advanced, progressive illnesses at any time from diagnosis to the end of life, respecting their individual needs and wishes. Care and support is also provided for their family members, friends and carers, both during the illness and after death.
